I, Ryan J. Forbes, hereby will off the nickname "Furby." This name goes to the first freshman to be given a swirly by a senior this year. That means that Ryan Forbes, from this point on, shall not be known as Furby. I also will off the phrase "Hey!" to this same unfortunate freshman. I don't mean the "Hey!" that means "Hello," I mean the "Hey!" that means "What the crap?!" Also, this freshman must not already have a nickname (which means David Markham doesn't get to be called Furby). I also will off Nick Barnett's car for him. It's a white, '95 Jeep Wrangler with a black top. The car goes to the first person who takes Nick's keys away from him (he's joking when he says he's "gonna sue" or "call the cops"). So, I bid Niwot High farewell (as well as Nick's car) and wish Furby (whoever he may be) good luck.

sports, and in life). Good luck!
